1) I am a committed follower of Jesus Christ who agrees to walk with other NetDMC Teammates in the context of our shared mission, vision and core referencing points.

Mission: NetDMC is a relational-based mission-maximizing network aiming to cultivate multipliable disciple-making communities within the Dozen Domains of society. We accomplish this by teaming together to envision, equip and engage Jesus followers to obey His disciple-making mandate (Mt.28:18-20) where He’s appointed them to serve so that He’s glorified and people are honored and served.

Core Referencing Points

- Seeking first Jesus and His Kingdom
• Referencing the ways of God as revealed in the Scriptures
• Relating to one another out of mutual humility and honor
• Living life in the context of community where you are cheered and challenged
• Following the lead of the Holy Spirit and obeying in the Fear of the Lord
• Tending our God-given assignments while teaming to fulfill Jesus’ Matthew 28 Mandate
• Investing globally while engaging locally
• Pursuing God being glorified

2020 Vision: “Teaming to reproduce one million disciple-makers as catalysts in domain transformation locally and globally”

2) I will actively participate on the following Domain Team: \_\_\_\_\_

3) I am providing recommendations from two people who can affirm my walk with Jesus and my character: my pastor/a spiritual leader who is currently walking alongside me, and an endorsing NetDMC Teammate.
